Academic Portfolio 2026–27

ABOUT E ACAD SUTRA

E Acad Sutra is an **Academic Infrastructure & Institutional Partnership Platform** designed to support coaching institutes in delivering structured, scalable, and result-oriented education for JEE and NEET aspirants.

We operate as a **non-exclusive academic solutions partner**, offering integrated test systems, digital learning infrastructure, and controlled faculty deployment support.

Our objective is simple:

To strengthen institutional systems while preserving the identity and autonomy of partner institutes.
